

## Welcome to Bang Consulting

Are you looking to expand and increase your business, but not sure how to move forward? Or maybe you've tried some marketing and it hasn't worked?

What you really need is a marketing professional to give you some advice, but you can't afford one of those. Right? Wrong!

As a small business you know you need to market and develop your business and yet it remains one of your biggest headaches. Maybe you've read the books and are now struggling with how to implement the ideas for your business. Maybe you've attended some courses, but just don't have the time or motivation to take it further. You don't have the resources or time to implement complex marketing strategies or wade through weighty reports. You want simple and practical ideas that can help your business now.

We offer effective marketing, PR and copywriting solutions at affordable prices. We give practical hands-on advice in plain English, not marketing speak. Not sure it's for you?
