

We may collect certain information about you when you visit our website your IP address, details of which version of web browser you used and information on how you use the site.

We are not able to personally identify you using your information we obtain.

Where your data is stored

We keep your data secure in cloud based apps.

Keeping your data secure

Transmitting information over the internet is not completely secure, and we are unable to guarantee the security of your data. Any data you do transmit is done so at your own risk.

Once your data is received, we have procedures and security features in place to try and keep your data secure. We will not share your information with any other organisations for marketing, market research or commercial purposes, or pass on your details to other websites.

We will only disclose your personal information if we are legal required to do so.

Links to other websites

Our website may contain links to and from other websites.

This privacy policy only applies to this website. If you visit a third party website from a link on our website, you should read the privacy policy of that website.

Cookies

Cookies are small files that a website can put on your hard drive in order for it to remember something about you at a later time. Cookies are used on almost all websites.

Our website uses cookies. By using our website you consent to our use of cookies in accordance with the terms of this policy.

The cookies we use

Google Analytics

Our website uses Google Analytics.

Google Analytics is a web analysis service provided by Google. Google sets cookies to be able to identify unique users and sessions so that we are able to track behaviour and usage of visitors to

our website.

Google's privacy policy can be viewed at: <http://www.google.com/policies/privacy/>

Blocking cookies

Your internet browser will allow you to block cookies. If you block cookies you may not be able to use all the features on our website.
